To: All Evergreen Independent Living Residents
Re: Update on COVID-19

As we continue to respond to the COVID-19 virus we encourage everyone to utilize the Evergreen website at www.EvergreenOshkosh.com for updates.

While we realize the importance of spending time with family and friends, the best way to prevent the virus from entering and spreading through campus is by limiting interaction with people outside of Evergreen.

A system is being developed to begin screening residents daily in all independent living options. If you experience symptoms of fever, cold, or shortness of breath you must contact Campus Health at (920) 237-6220.

Starting Monday, March 16th the following changes have been made:

- Creekview Café is closed until further notice.
- All external group outings, e.g. grocery shopping have been cancelled.

A delivery system for groceries and other items needed outside of Evergreen is being developed and will be provided at no cost to residents. Details will be provided as they become available.
