To: Evergreen Independent Living Residents
Re: Fitness & Aquatic Center Access

The Fitness Center renovations and indoor safe access paths are complete! Below are instructions for safe passage through the building. Please note that **access to the Health Center is limited only to those traveling to and from the F&AC**. The Health Center and Creekview Café will remain closed for the foreseeable future. More information about the F&AC can be found in the resident portal on our website at www.EvergreenOshkosh.com.

While moving through the corridors please remember the following:

- ✓ Masks MUST be worn covering both your mouth and nose
- ✓ Maintain appropriate physical distance from others
- ✓ Keep moving, do not stop in the corridor unless yielding to other people
- ✓ Refrain from visiting with other residents or staff while in the corridor
- ✓ The corridor may ONLY be used to access the F&AC; the Health Center and Café remain closed

Manor and Courtyard Apartment access:

Residents may access Creekview North at the Manor South hallway entrance. Please follow all posted signage and yield to others passing through the corridor to maintain appropriate physical distance.

Village and Homes access:

Residents may access Creekview South outdoors at the south side entrance adjacent to the Village or Creekview North at the Manor South hallway entrance. Please use the south side Fitness Center entrance, the former Aerobic Studio, when entering at Creekview South. **Do not travel through the neighborhood center or down the hall**, follow all posted signage and yield to others passing through the neighborhood center to maintain appropriate physical distance.
