

October 5, 2020

Dear Families,

The COVID positive resident on Garden Heights/ManorView was retested and results came back negative over the weekend. All residents in Assisted Living are currently COVID-19 negative. Regular resident and staff testing will continue per state guidance. Visitation will remain suspended until further notice.

Staff will continue to complete symptom screening before each shift. Staff impacted by COVID-19 are following quarantine guidelines and will return to work when they are cleared by Evergreen's Infection Control Preventionist and Employee Health Nurse.

Moving forward residents can expect very little changes in their day-to-day routines. we will assess re-opening for visitation as soon as possible. Please check our website at www.EvergreenOshkosh.com for ongoing updates.

Thank you for continuing to trust us with the care of your loved one.

Stay well,

Stacey Lichtensteiger
Assisted Living Manager
