

Dear Families,

We are excited to share that all family and friends of assisted living residents are now able to visit Evergreen! We ask you still limit the number of visitors at one time and remember safe practices remain in place

- Screening at door prior to entering.
- Hand hygiene with use of alcohol sanitizers.
- Mask must be worn.

Fully vaccinated assisted living residents may now dine in The GardenSide restaurant. Up to two visitors are welcome to join their loved one for a meal, however, reservations are required. Pub 67 and The Trellis remain open for residents only.

Please also keep in mind the following:

- Please be aware of situations away from Evergreen that may put you at risk
- Children may visit but must be able to wear a mask.
- Vaccinated residents can participate in close touch, e.g. hug.
- Policies and procedures may change as the situation changes
- No homemade treats at this time

Thank you for continuing to trust Evergreen with the care of your loved one.

Stay well,

Mary Stelter
