

Dear Families,

This week no one on the Evergreen campus tested positive for COVID-19. Visitation in the Creekview Health Center remains suspended until further notice. **Please share this important visitation information with friends and family who may plan to visit Evergreen.**

All Health Center residents and staff will be tested and ongoing testing will continue per state guidelines.

Staff will also continue to complete symptom screening before each shift and we are following state guidance for on-going testing. Staff impacted by COVID-19 are following quarantine guidelines and will return to work when they are cleared by Evergreen's Infection Control Preventionist and Employee Health Nurse.

We continue to monitor COVID case numbers in Winnebago County and are seeing an uptick in positive cases. Our residents and staff remain our first priority and we're grateful for your support and understanding as we continue to navigate the ever changing conditions.

For more information regarding Evergreen's COVID-19 response, please visit our website at www.EvergreenOshkosh.com. Thank you for continuing to trust us with the care of your loved one.

Stay well,

Peggy Bellin
Vice President Health and Support Services
