

Dear Families,

This week no one in the Evergreen Creekview health center tested positive for COVID-19, visitation in household two remains closed, the remainder of the Creekview health center is open for visitation.

If you have not already done so, please return the flu vaccination consent form. Please contact Kristin Kluz at (920)237-6214 if you need a new form.

Please remember the following when visiting a friend or loved one in the health center:

- Visitors are required to screen at a kiosk
- Visits must take place in resident rooms or outside, not in common areas
- Two people are allowed to visit at a time
- Residents must wear masks when out of their rooms
- The GardenSide Restaurant and Pub 67 remain closed to health center residents

For more information regarding Evergreen's COVID-19 response, please visit our website at www.EvergreenOshkosh.com. Thank you for continuing to trust us with the care of your loved one.

Stay well,

Peggy Bellin
Vice President Health and Support Services
