Trip to the Oshkosh Food Co-Op

**Do you meet
these Safety
Requirements?**

The Oshkosh Food Co-Op is a member-owned, full service grocery store in the heart of Oshkosh. This is a wonderful addition to our city & the perfect opportunity to check it out. **One does not have to be a member to shop here!!** The Co-Op offers us the opportunity to shop in a smaller venue with a nice selection of fresh produce and many organic products grown by local producers in the Oshkosh area. The General manager will be giving us a brief presentation on how the Co-Op got started & we will be able to try fresh food samples as we shop. Please join me in welcoming this wonderful venue to our community as it is important to support businesses in our area!!

We will leave Evergreen's front Lobby at 12:45 p.m. with pick up door #1 & door #2 (Court Yard). We will return around 2:30ish. Psssst.... Bring your shopping bag as you might find something fun here. Sign up is available at Resident & Guest Services on the clip board provided. **A limit of 12 for this trip.**
