

# 2025 PROJECTS

At Evergreen, we believe in creating enriching experiences that foster connection, independence, and joy. Two key projects will help enhance our vibrant community: an update to our rooftop garden and a new event bus.

**The Manor View Rooftop Garden** is a peaceful and inviting retreat, conveniently located off the lounge between Garden Heights and Manor View. Designed for comfort and accessibility, this serene space welcomes residents, family, friends, and staff to relax, socialize, and hold activities, all while outdoors.

**Manor View Rooftop Garden – A Welcoming Outdoor Retreat**

Evergreen's rooftop garden patio has long been a favorite gathering space, offering fresh air, scenic views, and a peaceful setting. This thoughtfully designed garden offers a refreshing escape, where the simple joys of nature bring warmth and tranquility to all who visit.

**Updating this area** will make it even more inviting—a perfect spot for coffee with friends, outdoor activities, or quiet reflection.

*"As the flowers bloom and the birds chirp, you can lose yourself in nature. Feeling the warm sunshine on your face can make a big difference in how you embrace the day. It's a great gathering space for activities."*

*~Neena G. and Christi F., Evergreen Life Enrichment Specialists*

*"It's wonderful during warm weather, but I love it in winter, too! Evergreen staff string Christmas lights around the rooftop patio, so even though it's cold and I don't go out, I enjoy it all year long."*

*~Marge, Evergreen resident*

## EXPANDING POSSIBILITIES

We invite you to support these two meaningful projects in 2025—and help make a lasting impact!

*"Fresh air brightens my days—I just feel better."*

*~Cheryl, Evergreen resident*

**On the Road to More Adventures**

Evergreen's event bus connects residents to concerts, local events, and dining out.

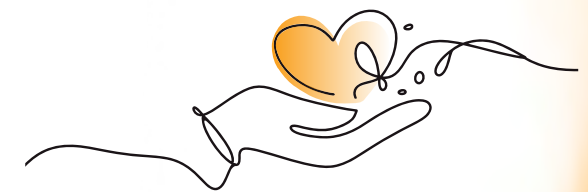

**To expand these experiences,** we're adding a new bus for more frequent trips—whether it's a baseball game, an ice cream run, or a scenic drive. More opportunities for connection, spontaneity, and fun await!

## Evergreen's Event Bus plays a meaningful role to our residents

It provides residents opportunities such as shopping, and special outings, which keeps them engaged, active and connected. However, our current bus needs replacement and we invite you to help keep these treasured outings possible.

*"A new event bus would broaden the opportunities Life Enrichment is able to offer. We would be able to travel farther distances and have new experiences."*

*~Caitlyn S., Life Enrichment Manager*

Through donations made to the Evergreen Foundation, these projects can become a reality!

**Thank you for your support.**
