

## June Events in the Arline L. Sitter Worship & Performing Arts Center

**Monday, the 2nd at 3pm Digital Presentation: *Picking Popes—Secrets of the Conclave*** This digital presentation explores the fascinating history of papal conclaves, including how a small group of cardinals came to choose the pope and why some still view the process as democratic. We will look at how the process evolved from early informal selections to the secretive conclaves shaped by powerful families and strict rules. Along the way, you will hear colorful stories, learn when the white smoke tradition began, and discover how papal resignations like Benedict XVI's have changed the process. Presented by a church historian who works with the media during papal transitions, this session offers insight, history, and plenty of intrigue.

**Tuesday, the 3rd at 3pm Informational Session: Life in Germany vs. the U.S. — The Perspective of a High School Foreign Exchange Student** Join us for a special presentation by Noah Probst, a high school foreign exchange student from Germany. Noah will share his firsthand experience of living and studying in the United States, highlighting the cultural differences he's noticed in daily life, school routines, and social customs. His insights are sure to spark curiosity and conversation. We're excited to welcome him and hear his unique perspective!

**Wednesday, the 11th at 1pm Green Lake Festival of Music: Brass Trio Concert** Green Lake Festival of Music will be bringing a brass trio concert to Evergreen!

**Saturday, the 7th at 11am Classical Concert** Join us for a delightful classical concert celebrating Louise Coumbe's birthday! Enjoy a beautiful performance by the wonderful cellist Laura Deming, accompanied by the skilled pianist Drew Donica, with a special appearance by two talented young musicians.

The Arline L. Sitter Worship and Performing Arts Center is equipped with a hearing loop.

### **Thursday, the 12th at 11am and 3pm Evergreen Singers Concert**

The Evergreen Singers have been hard at work again for their Spring/Summer Choral Concert. This is always a popular event, so there will be two performances: one at 11AM and another at 3PM. The 11AM concert will be open to Evergreen residents only, while the 3PM concert will be open to residents, family, and friends. It's sure to be a delightful concert that everyone will enjoy!

**Monday, the 16th at 3pm Movie: *The Greatest Game Ever Played*** Join us for an uplifting and beautifully filmed true story set in the golden age of golf. *The Greatest Game Ever Played* follows 20-year-old Francis Ouimet, a young amateur golfer from a modest background who dares to challenge the elite in the 1913 U.S. Open. With his pint-sized caddie by his side, Francis faces off against his idol, British golf legend Harry Vardon, in a match that changed sports history. This inspiring film is a testament to determination, passion, and the power of breaking down social barriers. A heartwarming and visually stunning journey for sports fans and history lovers alike!

*Rating: PG | Genre: Sport/Drama | Length: 2hrs | Year: 2005*

**Tuesday, the 17th at 3pm Green Lake Festival of Music: Piano Concert** Green Lake Festival of Music will be bringing a piano concert to Evergreen!

**Tuesday, the 24th at 7pm Performance by Elvis John** Elvis John is a charismatic Elvis Presley Tribute Artist who delivers a fun and engaging performance. With over a decade of experience, he has entertained audiences in more than 800 shows, earning finalist spots and multiple wins in Elvis tribute contests. His lively impersonation features the beloved hits of Elvis Presley, all performed in a striking, authentically reproduced Elvis outfit.

**Monday, the 30th at 3pm Digital Presentation: *Reinventing English—The Troubled Future of Reading, Writing, and Thinking*** This digital presentation explores how the English language is evolving faster than ever, influenced by digital technology, global media, and cultural exchange. From new expressions to regional variations, English continues to be reshaped by those who speak and write it. We will consider questions about standards, identity, and the role of technology in language change. Led by literature professor and award-winning writer Seth Lerer, this session offers insights into the past, present, and future of English.
