2026 GIVING CHRONICLE

“No one has ever become poor by giving.”

~Anne Frank

When we reflect on the past year, these words feel especially meaningful. Your generosity has sustained our mission, and it has enriched Evergreen through all that you have shared.

Because of your support, in 2025 the Evergreen Foundation was able to provide funding for:

- Benevolent care totaling \$550,000, assisting residents who have outlived their financial resources;
- A new event bus;
- Updates to the Manor View Rooftop Garden, scheduled for completion this spring;
- A beautiful outdoor tree sculpture;
- Additional equipment for our Fitness Department, allowing for the expansion of personal training opportunities for both residents and staff;
- And other meaningful projects.

What you have given allows us to make important differences now and for generations to come. Thank you for your trust, your compassion, and your continued belief in our work.

It is with great appreciation that I share this Giving Chronicle with you. I hope it inspires pride in what we've accomplished together and excitement for what is still to come.

As with each new year, we look forward to your support in 2026, and are grateful for your kindness.

Sincerely,

Vicki

we do good things. together.

honoring our past, building our future...

In partnership with the Wisconsin Conference of the United Methodist Church, Ruth and Howard Rowland saw their dream of a retirement community providing dignity, comfort, and security become a reality.

When Evergreen opened its doors in 1967, it consisted of 92 apartments and accommodations for 50 skilled nursing care residents. Guided by visionary leadership and a longstanding commitment to innovation, the Oshkosh campus has grown over time to offer a broad range of independent living residences, a full continuum of health services, and robust amenities and support services.

This continued growth allows us to proudly share our next development: a second campus community, Evergreen Fox Crossing. Built upon Evergreen's trusted legacy of exceptional service and care, Phase One of Evergreen Fox Crossing will include 102 independent living residences and 32 assisted living accommodations.

Anticipated to open in 2028, Evergreen Fox Crossing represents the next chapter in Evergreen's history of purposeful growth, innovation, and trusted service. Rooted in decades of experience, this new community reflects our enduring commitment to redefining retirement living for both today's and future generations.

For more information or to view the latest renderings, please visit EvergreenFoxCrossing.com

Looking back on 2025, I remain grateful for the support Evergreen receives through the Evergreen Foundation. Your generosity makes it possible for us to fulfill our mission of providing exceptional living environments, services, and experiences for our residents.

Since our founding in 1967, Evergreen has grown and evolved in response to the needs of those we serve. As we continue to expand, we are excited about the opportunity to carry forward our legacy of leadership, while supporting residents, staff, and the broader communities we call home.

We recognize that donors have many worthy organizations to choose from, and we do not take your support for granted. The Evergreen Foundation has been essential to our success, and we are truly grateful for your trust in us. I look forward to continuing this work together in the years ahead.

Yours in service,

Ken

strength takes shape...

Supporting those who live here – and those who make it feel like home.

The **Elizabeth J. Rasmussen Fitness Center**, made possible through a gift to the Evergreen Foundation, has continued to grow and evolve over the years. Most recently, with support from the Foundation, the center expanded its impact by introducing personal training opportunities for both residents and staff. Whether someone has been active for years or is just beginning their wellness journey, our dedicated fitness staff meets them where they are, encouraging effective movement and independence.

Noreen • Resident

For many, exercise is about far more than fitness. It supports:

- Stronger heart and mind health
- Increased endurance
- Improved sit-to-stand strength
- Less stiffness and greater mobility

Movement is Medicine!

Thanks to generous donors like you – our fitness and aquatic center staff are changing lives every day at Evergreen!

"Training one-on-one with Nick helped me prepare for the Tough Mudder. I was able to complete it, and I wasn't sore afterwards. I'm so grateful...what a wonderful benefit for staff!"
~Becky • Staff

Evergreen Fitness Staff, Left to Right: Ashley Wagner, Manager, Megan Abler, Megan Pollard, Annika Huizenga, Taylor Allen and Nick Ayulo

"Nick...genuinely cares about my progress and makes the whole experience fun. I've seen a big improvement in my balance."

dreams take root...

Growing spaces where connection can flourish – together.

Evergreen is expanding its raised garden area to enhance a space that brings residents joy, purpose, and connection.

Donations to this project will support thoughtful repairs, expanded planting space, and improved accessibility, creating welcoming areas where residents can garden comfortably and gather with friends.

Gardening encourages physical activity, friendship, and a meaningful connection to nature, benefits that grow even more valuable with age. By investing in this space, Evergreen ensures its grounds remain vibrant and inviting while making it possible for residents of all abilities to garden with ease, socialize with neighbors, and experience the satisfaction of watching something grow.

With your support, we can cultivate not only gardens ~ but also community.

projects made possible through the Evergreen Foundation

Many areas and amenities across the Evergreen campus were made possible through generous donations to the Evergreen Foundation. These gifts have helped shape Evergreen into the thriving community it is today. With continued support, imagine how much more we can do to keep our residents active, engaged, and connected.
