### Program Guidelines

- While you are enrolled in an associates or bachelors degree seeking program and taking classes, Evergreen will contribute \$2.00 per hour worked into a savings fund.
- You will receive the total fund balance with your payroll check upon your graduation with a degree.
- Documentation in the form of your final transcript must be provided at the time of your graduation to receive the balance of the savings fund.
- Savings fund balance will not be paid if employment is terminated involuntarily or voluntarily prior to graduation.
- You will be enrolled in the program as of the date this form is received by Human Resources. Retroactive contributions will not be made.
- Due to eligibility for the Tuition Assistance benefit, employees that work 30 hours per week or more are not eligible for the College Student Savings Fund.
