## **Tuesday, November 3<sup>rd</sup> at 3pm Digital Presentation: The History of the California Gold Rush**

In 1848, news of gold discoveries in California sparked a massive migration as thousands of Americans, many seeking adventure and wealth, traveled west by wagon, ship, or through Panama. Mining camps quickly grew into rough, crowded communities, often displacing Native Americans and marginalizing California's Hispanic residents. By the end of 1849, California's non-Native population had reached 100,000, and the rapid growth led to a push for statehood that triggered a major political debate in Congress.

## **Monday, November 9<sup>th</sup> at 3pm Digital Presentation: India - Past, Present, and Future**

This digital presentation explores the major milestones of Indian civilization, its cultural and religious diversity, and the challenges it faces today. It examines the ongoing debate between viewing India as a broad, inclusive civilization and a more narrowly defined nation-state, and considers what that struggle may mean for India and the wider world.

## **Tuesday, November 10<sup>th</sup> at 3pm Oktoberfest Performance by Arlie Schneider**

Join Arlie and friends for an Oktoberfest show!
